

Extra Help required

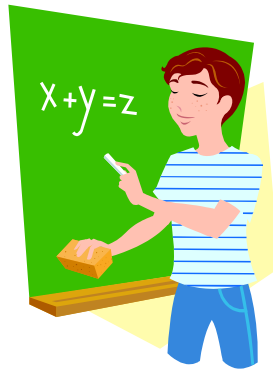

I'm only human
Don't yell at me
I just don't understand

Tell me again please
Don't sneer at me
I just don't understand

Explain it in simpler terms
Don't say I am stupid
I just don't understand

Please Miss
Don't make me an example
I just don't understand

Please Miss
Don't say that I am incapable
I just need extra help
